2. Our Services

A comprehensive review, much like legal and taxation consultancy, costs money – meetings, the cost of travel, research, reports, administration, insurance cover, support staff, premises etc. We shall give advice and arrange an investment on your behalf in relation to:

- Shares in a company or bonds that are listed on a stock exchange, prize bonds
- Units or shares in undertakings for collective investment schemes including unit trusts and UCITS
- Tracker Bonds
- Insurance policies
- Personal Retirement Savings Accounts (PRSAs)
- Deposits

Directors: Marie Ainsworth, Brian Tyrrell

Mount Street Trustees Limited registered in Ireland no. 449643 Vat No IE 96784075
Registered address: 95 Sandymount Road, Sandymount, Dublin 4, Ireland

Mount Street Trustees Limited trading as Mount Street Group is regulated by the Central Bank of Ireland

In order to provide these services we hold agency agreements with various product producers and provide advice on a fair analysis basis by reference to the product producers with which we hold an agency. A list of these companies is set out in Appendix 1.

3. *Advisory Services*

Where we are retained to give advice on a financial investment, product or service we are required to obtain from you sufficient information to enable us to make appropriate recommendations.

This will involve the completion of a fact find which may include some or all of the following:

- As private clients, personal data for both you and your spouse/partner such as ages, regular income and existing financial commitments.
- As corporate clients, information in relation to your business and/or employees, as appropriate.
- Details of existing policies, investments and savings
- Your knowledge of investment markets and attitude to risk
- Your objectives such as return on investment, expected retirement age, required income in retirement, access to investments on an ongoing basis
- Health status (where relevant)

We will give you advice and recommendations in accordance with your current requirements and the information supplied to us in a fact find. It is essential therefore that you provide us with all relevant information and where this changes, notify us of any such changes.

All information is treated confidentially.

Where a fee based service is chosen, the client undertakes to place products selected by the client on the advice of Mount Street and investment based on strategies recommended by Mount Street Trustees Limited through the agencies of Mount Street Trustees Limited. This is a gentleman's agreement which allowed Mount Street Trustees Limited recoup costs and understandably the client-advisory relationship cannot work effectively without a two-way relationship.

In the event that the client adopts the advice, directions and strategies outlined by Mount Street Trustees Limited whether or not through the specific products recommended by us but does so outside of the agencies of Mount Street Trustees Limited, the client undertake to be charged a fee at the discretion of Mount Street Trustees Limited of €250ph plus VAT. This means paying Mount Street Trustees

Limited for time expended less any fees already collected or commissions received.

4. Execution Only Service

If you do not require an advisory service we may be retained to carry out a specific transaction which can be done on an execution only basis. This means that we will process a transaction without giving any advice or completing a fact find. In these circumstances we will require you to sign an execution only statement confirming that you understand we are not providing you with any advice, that investments can fall as well as rise and that you wish to proceed on an execution only basis.

5. Our Remuneration

We may receive our remuneration by way of commission from the companies with whom we place business on your behalf. We may accept additional commissions from financial institutions to whom we transmit such orders – these are not, typically, deductions from products and are subject to statutory disclosure. We also receive commissions from product producers on an ongoing basis which contribute to providing you with ongoing services.

Commissions payable to us in relation to arranging certain life assurance, pension policies and PRSAs, are disclosed in a Disclosure Notice provided to you at the point of sale and/or at the cooling off stage.

We may be remunerated for some or all of our services by way of fees instead of or in addition to commission. Generally speaking, we will negotiate a share of the annual management charges that an investment manager charges. In circumstances where the annual management charge is not enough to cover our time we charge an hourly rate of €150-€250 depending on the nature of the work, in addition to the annual management fee charge. We will outline our fee structure prior to providing you with a service.

6. Conflicts of interest

We have a policy of disclosing to our clients if any potential conflict of interest should arise in the provision of advisory services. However our employees are required to comply with a policy of independence and disregard any such interest when making recommendations to you. If a conflict of interest becomes apparent to us, we will notify you in advance of providing a service.

7. Receipt of Monies

It is our policy not to accept client monies into a Mount Street Trustees bank account. We encourage clients to make premium cheques payable to the Insurer or product provider with whom the product is being placed, or alternatively to have these payments made by direct debit to the product provider.

8. Default remedies and compensation

8.1 - Default by you. We will, if necessary, exercise our legal right to receive any payments due from you for agreed services provided. Financial institutions may withdraw benefits or cover on default or non payment of any payments/premiums due by you for any investments/policies arranged for you. Details of these provisions are included in each product's terms and conditions.

8.2 - Default by this firm. Mount Street Trustees Ltd is a member of the Investor Compensation Scheme established under the Investor Compensation Act 1998. The legislation provided for the establishment of a compensation scheme and to the payment in certain circumstances, of compensation to certain clients of firms (known as eligible investors) covered by the Act. However, you should also be aware that a right to compensation would only arise where client money or investment instruments held by this Company on your behalf cannot be returned, either for the time being or for the foreseeable future, and where the client falls within the definition of eligible investor as contained in the Act. In the event that a right to compensation is established, the amount payable is the lesser of 90% of the client's loss, which is recognized as being eligible for compensation, or €20,000.

9. Complaints procedure

If you would like to talk to us about how we could improve our service to you, or if you are unhappy with the service you are receiving, please let us know by telephoning Marie Ainsworth or Audrey Killalee on 01 667 4730.

We will carefully consider any complaint as soon as we receive it and do all we can to explain the position to you. If we do not answer your complaint to your satisfaction, you may of course take up the matter with the Financial Services and Pensions Ombudsman.

10. Anti Money Laundering

The providers of pension and investment services are regulated under the Criminal Justice (Money Laundering and Terrorist Financing) Act, 2010 (as amended), and, as such, directors and staff in investment firms are required, under the anti-money laundering regime in the Republic of Ireland, to report any suspicion that a criminal offence giving rise to proceeds from criminal conduct has been or is being committed, regardless of whether that offence has been committed or being committed by their client or by third party.

If as part of our normal work, we form a suspicion that such an offence has been or is being committed we are required to make a report to the Garda Siochana and the Revenue Commissioners. In such circumstances it is not our practice to discuss such reports with you because of the restrictions on disclosure imposed on us by the anti-money laundering legislation.

As a consequence of the anti-money laundering legislation we are required to identify our clients. We are therefore likely to request from you, and retain, some information and documentation for these purposes and/to make searches of appropriate databases. If satisfactory evidence of your identity is not provided within a reasonable time upon request, there may be circumstances in which we are not able to proceed with the proposed service. We are also required to identify the source of any funds which you wish to invest.

11. Data Protection and Confidentiality

We operate to the highest standards of client confidentiality and meet statutory requirements under the Data Protection Acts 1998 to 2018, and the European Union's General Data Protection Regulation effective from 25th May 2018.

Our staff and support service providers will use your personal information to offer advice on suitable products, service your business on an ongoing basis, monitor services for quality control purposes, or as otherwise required by law. For these purposes we may share your contact details and other relevant information with product providers and our support service providers, for the purposes of providing you with appropriate advice.

We would also like to offer you products and services which we think may be of interest to you. In order to do so, we would like your consent so that we may contact you by letter, email, SMS text, or telephone (mobile and landline). You have the right to ask us not to send marketing information to you at any time.

Full details of our Data Privacy Notice – Customer Summary is available on request or on our website www.mount-street.com

12. Variation

This engagement letter may be varied or superseded at any time by agreement in writing between us, but any such variation shall not affect any rights or obligations of either of us already accrued. You or we may initiate such variations.

13. Termination

Either of us may terminate this engagement letter by written notice at any time.

Termination will not in any event affect accrued rights, existing commitments or any contractual provision intended to survive termination and will be without penalty or other additional payment save that you will pay (i) our fees pro rata to the date of termination; (ii) any additional expenses necessarily incurred by us in terminating this agreement letter; (iii) any losses necessarily realised in settling or concluding outstanding obligations.

14. Vulnerable Customers

A vulnerable customer is defined by the Consumer Protection Code as a natural person who;

- has the capacity to make his or her own decisions but who, because of individual circumstances, may require assistance to do so (for example, hearing impaired or visually impaired persons); and/or
- has limited capacity to make his or her own decisions and who requires assistance to do so (for example, persons with intellectual disabilities or mental health difficulties).

It is Mount Street Groups practice policy to ensure that in the event of providing advice to a “vulnerable customer” that we acquire a certified copy of a Power of Attorney where one exists as well as the presence of at least one third party, ideally with financial fluency such as an Accountant or other family person with financial experience to be present at advisory meetings. We further require that contact with a “vulnerable customer” is copied to these third parties as a matter of practice.

15. Governing Law

Irish law will govern the provision of the services covered by this letter, and the Irish courts will have exclusive jurisdiction over any dispute.

16. Research

We wish to draw your attention to the fact that we cannot research all product providers potentially available to you within Ireland, Europe and OECD countries.

Neither will some product providers, who do not work with financial intermediaries, provide research even when requested to do so and you are advised that you may wish to pursue these yourself. However, as part of our service we routinely investigate and review financial products already held by clients across domestic and international product providers, utilising client information authority mandates. Mount Street receives economic analysis from a range of fee charging international services as well as from domestic and international asset managers, stock brokers and financial media.

Yours faithfully

Mount Street Trustees Limited
